Message from WCC BOD President...

Dear WCC Members,

On behalf of the WCC Board of Directors as well as the WCC Managers and Staff, I wish to personally thank you for your loyal membership and support of the Waynesboro Country Club. In many ways, 2018 was a very good year for the WCC as we celebrated the 90th Anniversary of the Club. In spite of the challenges and impact of the excessive moisture to the golf course which reduced the rounds of play, your BOD and Managers strived to make fiscally sound business decisions to ensure the long-term viability of the Club for future generations.

In addition to achieving a very aggressive 2018 Budget, your BOD and Managers reallocated a seven-acre asset and will reinvest the proceeds in a new Point of Sale System to better serve the membership at the Clubhouse. In addition, a Precision Sprayer Program will be implemented this spring to ensure more accurate chemical/fertilizer applications on the golf course and improved protection of the environment. We were pleased to sell the seven acres to a WCC Member and neighbor who also appreciates the esthetics of the natural habitat along Golf Hole #10. There will be no changes to the view or vegetative growth from the golf course.

To encourage and foster interest in the golf program, your BOD is now offering unlimited and free access to the driving range for all WCC Membership Categories. The Practice Balls will be available at the driving range during the Club Operations for our members. Please bring your family to the driving range this year and have them experience the game of golf. Our WCC Golf Professionals will be available to help improve your golf game and promote your family's enjoyment in this life long sport.

Because of the damage and stress to the golf course from the excessive moisture this past year, the BOD has enacted a Course Maintenance Fee of \$7.00 Per Month for each Golf Member to help offset the additional costs that will be invested next year for reseeding and sod renovations. Other changes to the WCC Membership Fees Structure will include a \$10.00 Per Month increase to the Dine Membership, (\$240.00 annually) and an increase of the Swim-Dine Membership to \$600.00 annually.

Additional Business Office changes will include only one billing cycle for all members which will occur at the end of each month. Next year, the Junior Membership Categories will be calculated based on combining the spouse ages and dividing by two to determine the discounted category. As a reminder, the Twilight Golf; Swim-Dine; and Tennis-Dine are year-long memberships and will renew automatically. There will be no other changes or increases to the 2019 Membership Dues Structure other than what was outlined in this letter.

In closing, I also wish to thank everyone who have contributed to all of the Clubhouse renovations from the remodeling of the Restrooms and Card/Bridal Room to the general house cleaning last January and replacement of two air conditioners this past June. I am also very appreciative of the financial support for the Ballroom Renovation Project starting next month. The 2019 Membership Year will be exciting, fun, and rewarding for all WCC Members and we look forward to see you at the Club. If you have any questions, comments, or ideas, please do not hesitate to contact me at your convenience, (717-729-7158 Cell Phone).

Best wishes to you and your family for a Safe and Happy New Year.

Sincerely,

Gerry Reichard
